Visibility from behind the wheel

Fully powered door and ramp at the push of a button

A man with a joyful expression is seated in a motorized wheelchair inside the open rear door of a red van. He is wearing a tan jacket over a light blue shirt and dark trousers. The wheelchair has large, treaded tires with a distinctive red and yellow logo on the wheels. The interior of the van is visible, showing black leather seats and a clean, modern design. The scene is brightly lit, suggesting a sunny day.

SPACIOUS STYLE

Mr. Barnes is a husband, a father, a grandfather and a veteran. At over six feet tall, he needs a vehicle with plenty of room to travel in comfort and style. That's what he gets with the BraunAbility Traverse - the space and swagger to keep him smiling.

HALF A CENTURY OF THOUGHTFUL ENGINEERING

VOTED #1 QUALITY & SAFETY

BraunAbility has engineered independence to the highest standards for nearly 50 years. When considering a mobility vehicle, remember what you can't see matters. A solid foundation with no shortcuts – that's the BraunAbility way.

Industry's Only Fully Stainless Steel Exhaust System - Prevents rust and corrosion. Secured and reinforced for function and service. Protected and mounted as far from the ground as possible for less exposure to everyday impacts.

Custom-Made Fuel Lines and Hoses - New lines made to fit the wheelchair accessible floor with mating connections to fit the original manufacturer's vehicle. Designed for maximum safety and performance over the total life of your vehicle.

State-of-the-Art Brake Line System - New brake lines and fittings installed and properly routed for corrosion prevention and reliability.

New Wiring and Connectors - No stretching or retrofitting wires and no cutting corners. New Tier-One sourced wiring harness with factory-original connectors.

Industry-Leading Safety Standards

BraunAbility is #1 in Safety – the most certified wheelchair accessible vehicle manufacturer in the industry!

Every BraunAbility vehicle is required to pass each of the following tests to ensure our customers' safety: FMVSS 208: Occupant Crash Protection, FMVSS 301: Fuel System Integrity, FMVSS 214: Side Impact Protection

BraunAbility is certified by NMEDA's Manufacturer Quality Assurance Program (MQAP), guaranteeing the safety and reliability of modified vehicles and mobility equipment.
